

SARAFIA MITCHELL

PROGRAM COORDINATOR, HER SKIN FOUNDATION

Mrs. Sarafia Mitchell is the program coordinator for HER SKIN FOUNDATION. She oversees the programs to ensure that all programs remain in compliance with state and governmental laws. Sarafia Mitchell is a native of Waco, TX, but has resided in the DFW metroplex for the past 10 years. Sarafia just published her first novel. Her idea was to give a fiction but authentic feel to people and the situations that they or someone they know might have faced. Although writing is her passion, her full-time career is in healthcare for the last 18 years. She has an RN, BSN and is currently advancing towards becoming an advanced practitioner midwife. Sarafia is a wife, a mother and a worship leader and stands firm on her favorite scripture Luke 1:37, “with God, nothing shall be impossible.”
